**HOW TO WIN**  
 All players lose if any player dies.  
 All players win if:  
 -All 4 Relapse spaces are blocked, and  
 -At least 1 player has 0 Problems

**HOW TO PLAY (1-6 players)**  
 You need two dice, and a pawn for each player  
 There are two paths: Drinking (orange/red) and Recovery (green). Everyone starts Drinking, on the star space.  
 On your turn, roll the dice and move clockwise on your current path. Follow the instructions on the space  
 Roll 1 die if you are on the Drinking path  
 Roll 2 dice if you are on the Recovery path  
 If you land on Relapse, move to the Drinking path if you land on Bottom, move to any Bill W. space

Use Recovery cards to get rid of Problems  
 Use Bill W.'s Step cards to get people out of Drinking  
 Use Bill W.'d Serenity Prayer cards to block the Relapse spaces

Put discards on the bottom of the deck. Reshuffle deck when empty.

**PLAYER SCORE**  
 0-3 Problems: Congratulations! Life's great!  
 4-8 Problems: Life's ok, still got some work to do.  
 9+ Problems: You still have a lot of problems, but the future looks good.

This game is provided free of charge for the benefit of the entire AA community. Every story in the game is true.
